

TRANS ASIA ONE STOP SERVICE

Trans Asia Integrate Services Ltd.

Advance Training & Testing Center.

Surokkha Medical Center Ltd.

Trans Asia Integrate Service Ltd is a trusted multi-sector enterprise in Bangladesh, dedicated to delivering high-quality, integrated solutions across key industries. Our diverse portfolio encompasses modern manpower training and testing facilities, professional overseas recruitment services, and comprehensive health screening centers. Driven by a commitment to quality, efficiency, and innovation, we aim to empower individuals and support sustainable national development through excellence in service delivery.

Location

The expansive facility of Trans Asia One-Stop Service spans an impressive area, strategically located in Bashundhara, near the Diplomatic Zone and just minutes from Hazrat Shahjalal International Airport—only 4 kilometers from the Diplomatic Zone in Dhaka.

At the heart of the establishment is a 6520 square-meter main building, serving as the central hub for our diverse business operations. Complementing this is a thoughtfully designed 1345 square-meter dormitory, offering comfortable accommodations that reflect our dedication to quality, convenience, and client care.

Our Business Units

Trans Asia Integrate Services Ltd. is a global leader in international manpower services, delivering exceptional quality and efficiency to meet and often exceed—client expectations. Guided by the highest industry standards, we ensure seamless recruitment solutions that connect talent with opportunity worldwide.

Advance Training & Testing Center (ATTC) is committed to enhancing the immense human resource potential of the nation through comprehensive manpower training and testing services. Our focus on skill development and quality assessment empowers individuals to excel in global opportunities.

Surokha Medical Center Ltd (SMCL). was established with a clear vision to deliver complete and comprehensive healthcare solutions to the people of our country. Driven by a commitment to excellence, SMCL aims to set new standards in medical care and patient well-being.

Vision

To be a leading global recruitment agency recognized for excellence, integrity, and innovation — connecting skilled professionals across Asia and beyond, empowering people, and driving sustainable growth for clients and communities alike.

Mission

Our mission is to connect talent with opportunity through ethical, efficient, and innovative recruitment solutions. We are committed to empowering job seekers with fair access to global employment, supporting our clients with dependable and high-quality workforce solutions, and upholding the highest standards of professionalism, safety, and social responsibility in every placement we make.

Chairman Message

We are proud to be a driving force in the development of human resources in Bangladesh. Since our inception in 2017, we have been dedicated to delivering unmatched service in the recruitment sector.

Our guiding principles—Integrity, Sincerity, Reliability, and Outstanding Service—form the foundation of everything we do. These values enable us to consistently meet and exceed client expectations, ensuring their demands are met with the highest level of satisfaction.

We specialize in providing top-tier professional, skilled, semi-skilled, and unskilled manpower across various sectors. Our commitment is to deliver quality human resource solutions swiftly and efficiently, maintaining the highest service standards.

Our team is innovative, dedicated, and unconventional in approach—striving always to meet our clients' unique needs with excellence and care.

I extend my heartfelt gratitude to our partners at Trans Asia Integrate Services Ltd. our valued clients, and the exceptional team at Trans Asia. Your continued support, trust, and collaboration have enabled us to build enduring and successful relationships.

Trans Asia Integrate Services Ltd.

Advance Training & Testing Centre

Surokha Medical Center Ltd

About

From its inception, Trans Asia Integrate Services Ltd. has emerged as one of Bangladesh's trusted names in delivering integrated workforce solutions. We specialize in manpower training and testing, recruitment, and consultancy services, offering a seamless and efficient pathway to global employment opportunities.

Our one-stop service approach simplifies the entire process — from skill development and assessment to deployment — ensuring clients and candidates benefit from a smooth, reliable, and time-saving experience.

At the heart of our operations is a strong commitment to quality, professionalism, and ethical practices. We empower individuals by equipping them with the right skills, knowledge, and opportunities to excel internationally, while helping organizations meet their workforce needs with confidence and efficiency.

Driven by a team of dedicated professionals, we tailor our services to meet the dynamic and evolving demands of both our clients and the global market.

We believe in building enduring relationships based on trust, transparency, and excellence, and we remain steadfast in our mission to create value, foster development, and contribute meaningfully to the communities we serve.

Surokkha Medical Center Ltd.

Surokkha Medical Center Ltd (SMCL)

Surokkha Medical Center Ltd is a ISO certified, trusted provider of pre-employment medical screening in Bangladesh, specializing in health evaluations for overseas job placement. We ensure every candidate meets international standards—fit, certified, and ready for global opportunities.

About

Surokkha Medical Center Ltd has grown into one of Bangladesh's trusted names in pre-employment medical screening and diagnostic services. With a focused commitment to supporting overseas employment, we offer end-to-end medical evaluations required by foreign employers and regulatory bodies—ensuring that every candidate is fit, prepared, and confident for international placement.

Facilities

Our center is equipped with advanced diagnostic tools and staffed by experienced physicians, certified technicians, and a dedicated administrative team. We maintain strict compliance with health and safety protocols, and uphold international standards to meet the medical clearance requirements of GCC countries, Malaysia, Libya and other destination nations.

Key Services We Offer:

Surokha Medical Center Ltd offers GCC-standard medical screening with Wafid-approved compliance, ensuring candidates meet international health requirements. We are your trusted health partner for overseas employment readiness.

Pre-Employment Medical Examinations

Comprehensive health checks for overseas jobs, including physical exams, blood, urine tests, and more.

Gulf Health Council-Approved Medical Screening

Medical check-ups strictly aligned with GCC and Wafid protocols, ensuring candidates meet the health criteria for visa issuance.

Radiology & Chest X-Ray Services

On-site digital X-ray facilities for chest and thoracic imaging, a key component of GCC medical fitness assessments.

Laboratory Testing

A full-service diagnostic lab offering hematology, serology, and biochemistry testing, with results processed quickly and accurately.

COVID-19 Testing

PCR and antigen testing available as per host country requirements, ensuring health safety and compliance with pandemic-era protocols.

Medical Fitness Certification

Issuance of official medical fitness reports accepted by GCC countries and approved authorities.
